Cambodia, 18-21 November 2009

DEPARTMENT
OF
INTERNATIONAL COOPERATION

HANG Sochivin
Deputy Director of DICO
in charge of Trade SWAp Secretariat and TDSP
hang.sochivin@moc.gov.kh & sochivin@yahoo.com

Depart of Int't Coop: DICO

- DICO established in 2008 to work mainly on TRTA (Aid for Trade).
- DICO: Trade Sector Wide Approach (Trade SWAp), Trade Development Support Program (TDSP), Enhanced Integrated Framework (EIF) and Other TRTAs.

DICO = NIU for TDSP & EIF

DICO-Trade SWAp

- Members from all relevant Ministry of Commerce and line ministries: 116 officers.
- Structure: An Implementing Committee, followed by 3 Pillar Working Groups.
- MoC/Line Ministries lead Pillar works, DICO play as secretariat role, and Interested DPs joint each pillar.
- Sub Decree of Trade SWAp sent to Council of Ministers, and wait to be signed by Prime Minister.

DICO-TDSP

- Apply the WB/ADB-MEF rule and regulation on Procurement and Financial Management:
- TDSP was signed between the RGC and the WB on 14 January 2009, came to effectiveness on 09 March 2009; and TDSP was launched on 23 March 2009.

DICO-TDSP (2)

- EC Cambodia provided a M & E international consultant to D/ICO.
- DICO recruited consultants: Finance, Procurement, legal policy, implementation and auditing to support DICO and others PIAs.
- The eligible PIAs of Pillar in Trade SWAp to submit proposal to DICO and IC
- DICO report to WB/TFFT and MoC, and consult with other DPs in implementing the Trade SWAp/ TDSP on a regular basis.

DICO-TDSP (3)

- PIAs/Trade SWAp: Line Ministries propose and execute project activities.
- DICO: Officers work to facilitate in TDSP, supported by national and int'l consultants
- IPA: selected independent company work on Procurement packages over a limited amount
- WB/TFFT: work to support and supervise the program execution (NoL, On job consultancy)
- MEF: facilitate the fund from WB/donors and monitor the implementation process.

TDSP Focus

- TDSP =Trade SWAp works
- Pillar 1: **Legal Reform and Cross Cutting issues**
- Pillar 2: Product & Services Development
- Pillar 3: **Capacity Development**
- Work out on log frame: what have been done and what shall be done next
- 3 years rolling plan

DICO-EIF

- MoC as focal point to EIF, DICO = Secretariat to EIF/Home of NIU
 - EIF Tier 1= DICO Capacity improvement to facilitate Technical Assistance
 - EIF Tier 2 = turn DTIS finding to practice, to ward the competitiveness in exports
- EIF proposal approved by EIF Board in late September 2009,

EIF Focus

- **Support NIU-DICO Capacity Development** -> structure to manage EIF and Trade SWAp: staff plan, training plan and equipment plan have done.
- **Support to Line Ministries and Pillars of Trade SWAp** -> facilitate line ministries to apply EIF Tier2/Trade SWAp activities.
- **Awareness, trade mainstreaming and promotion**-> make relevant stakeholders understand, participate to benefit from the EIF Tier2/Trade SWAp opportunities.
