Group Facilitator

❖ Pillar Team Leader is the group facilitator

- with assistance of D/ICO Staff

❖ Group Facilitator Role:

- Ensure understanding and participations of group members
- Produce expected deliverables
- Present results of group discussion to the retreat (tomorrow)

Expected Deliverables

❖ Please answer on below two broad questions:

- What are key lessons learned and good practices in implementing Pillar Roadmaps ?
- What are your recommendations for updating the Pillar Roadmaps and Trade SWAp Implementation (2013-2018)?

❖ Brainstorming Questions provided in your package.

What are key lessons learned and good practices in implementing Pillar Roadmaps ?

Brainstorming Questions:

1. What factors contributed to the success of the pillar roadmaps?
2. What are key challenges or constraints in implementing the pillar roadmaps?
3. How did the Pillar working groups address the challenges or constraints happen during the past few years implementation?
4. What are key lessons learned and good practices to be considered for future implementation?

What are your recommendations for updating the Pillar Roadmaps and Trade SWAp Implementation (2013-2018)?

Brainstorming Questions:

1. Based on lessons learnt from existing pillar roadmaps, What are recommendations to update the Pillar Roadmaps?
2. What actions should be taken to ensure understanding and ownership of the updated roadmaps?
3. What are your recommendations on strengthening the role of pillar WGs and sub-working groups?
4. What are your recommendations to donors concerning implementing the updated roadmaps?
5. What are your recommendations to improve relationship between private sector and Trade SWAp?
6. How to improve M&E of the updated roadmaps?
